

Finding E-books on YC Library Catalogue

Viewing all e-books

1. Go to www.yukoncollege.yk.ca/library
2. Type in the keywords related to your topic in the search box and then click on "Search".
3. To refine results to e-books only, click on the **eBook** option in the "Format" column. E-books will show up as "Downloadable".

The screenshot shows the Yukon College Library search results for 'environmental sciences'. The search bar contains 'environmental sciences' and the search button is labeled 'Search'. The results are sorted by relevance. The 'Format' filter is set to 'eBook', which is circled in red. The results list three e-books, each marked as 'Downloadable' and having a 'More Options' button.

Format	Count
eResource	33
Book	1

Accessing e-books on campus

1. Click the "More Options" beneath the book title. **OR**
2. Click on the e-book title, and then on the first link located in the "Electronic Resources" section.

Accessing e-books off campus

1. If **searching from home**, click on the e-book title.

2. Check whether the link "If off campus, please use Remote Patron Resources" appears in the "Electronic resources" section.

If no off-campus link is available

- a. Click on the access link to open the e-book. No authentication is required in this case.

If off-campus link is available

- a. Click on the off-campus access link and log in with your library barcode number and password.
- b. Click on EBSCO E-book Collection link to access the database home page.
- c. Copy and paste the title of the e-book you want and click on "Search"
