

Yukon College Learning Commons Guidelines Regarding Interlibrary Loans (ILLs)

- Current Yukon College students and staff can request Interlibrary Loans (ILLs) for free. While there is no limit for the number of ILLs that can be requested, library staff reserves the right to cancel or postpone requests if there is abuse of the service (e.g. excessive number of requests in a short period of time; copy requests that exceed the limits allowed per copyright legislation, etc.).
- Yukon College staff and students must have a current library services account before placing ILL requests. Requests submitted by someone without a current account will not be processed until the individual obtains an account.
- Allow for a **minimum** of three business days for an article to arrive and two weeks for a book to arrive.
- Articles requested will be emailed preferably to Yukon College email accounts.
- Textbooks cannot be interlibrary loaned.
- Patrons with a fine balance owed to the Innovation Commons must pay the fine before requesting ILLs.
- **Innovation Commons Public Patrons** can make Interlibrary Loan requests for a fee of **\$10.00 per request** with a current library services account, which can be purchased for a cost of \$50.00.
- Interlibrary loan requests for Public Patrons will not be processed until the patron pays \$10 fee/item. If the request is not completed successfully, the value will be returned to the patron.
- Any items signed out to a Patron becomes his or her responsibility. Keep this in mind when borrowing items for others; which we highly discourage.
- For those ILLs that can be renewed, renewals usually last for just 2 weeks. Call the front desk at 867.668.8870 or visit the Innovation Commons in person to renew ILLs.
- Items borrowed by ILL cannot be renewed online.
- The lending period for an item is established by the lending library, not YC Innovation Commons, and it includes shipping time (both to and from Yukon College). We encourage patrons to pick up their interlibrary loaned items in a timely manner and to read the sleeve attached to the item, which contains important information such as the due date for the item.
- Video interlibrary loan services are limited to those who have a Yukon College employee ID and are Instructional Staff.

- The requesting Instructor must specify the showdate of the video when placing the request.
- Not all videos are available for ILL from lending libraries because of Public Performance Rights.
- Video requests must be placed several months in advance to ensure a specific showdate because the lending libraries often have tight circulating schedules for their media collection.
- Fines for overdue ILLs accumulate at the same rate as regular books; \$1 per item per day overdue. Until the item is returned, negligent patrons will be blocked from borrowing additional items from the Innovation Commons collection
