

# YNTEP RESOURCES

---

## Resource Services (AKA “LRC”, “Teacher’s Professional Library”)

- Current YNTEP Students and Staff may borrow items directly from Resource Services with a valid Yukon College Student ID (with library barcode on the back).
  - Other YC Library Patrons must request items through the YC Library’s Interlibrary Loan (ILL) service. For more information, go to [http://www.yukoncollege.yk.ca/library/pages/interlibrary\\_loans](http://www.yukoncollege.yk.ca/library/pages/interlibrary_loans)
  - Curriculum materials are not available for loan from the LRC
- **All items borrowed from the LRC must be returned to the LRC by the individual who borrowed the item. Do NOT return the item to the YC Library!**
- Both Libraries **highly recommend** that their patrons, particularly those that use multiple libraries, **register with Library Elf** (<http://www.libraryelf.com>) to keep track of due dates.
- The Resource Services web page can be accessed at the following web address: <http://www.resourceservices.gov.yk.ca>
- Please note that you can’t use the online order form to request items from the LRC, you must visit the library in person to borrow items.

---

## Integrated Resource Packages (IRPs)

- The Yukon College Library has IRPs for the core K-7 curriculum. You can search for them using “integrated resource package” as a keyword search on the Yukon College Library catalogue.
- If you are looking for the most up to date Integrated Resource Packages, you can also access them on the BC Ministry of Education web site. The address is: <http://www.bced.gov.bc.ca/irp>
  - Please do not print complete IRPs on library computers.
- If you have further questions, please check with the Yukon College Library or call Resource Services at 667-5161.
